

How to run of your Roster (Team List) on GOT FOOTBALL

Sign into your TEAM ACCOUNT

Click Team List (In the grey menu bar)

Click View by event chevron

Click Central Warwickshire Girls & Women's League 2018/2019 (01/09/2018)

On the registration line at the end you will see team list by the adobe sign

click there and your official roster (list) will appear

print off your copy and attach to your team sheet

The official team list must have the League emblem must be displayed on the left-hand side and the got football emblem on the right

And managers signature on the bottom of the form

If it has not got the above them it is not an official roster and unregistered players could be playing

Please note that if any players photos are to large (they should be head and shoulders only)

they will be distorted you need to delete and resize the photo

you will need to contact the league secretary to remove the photo and upload another

if you are unsure about the roster please keep it and send it to the league secretary for verification
